School Board

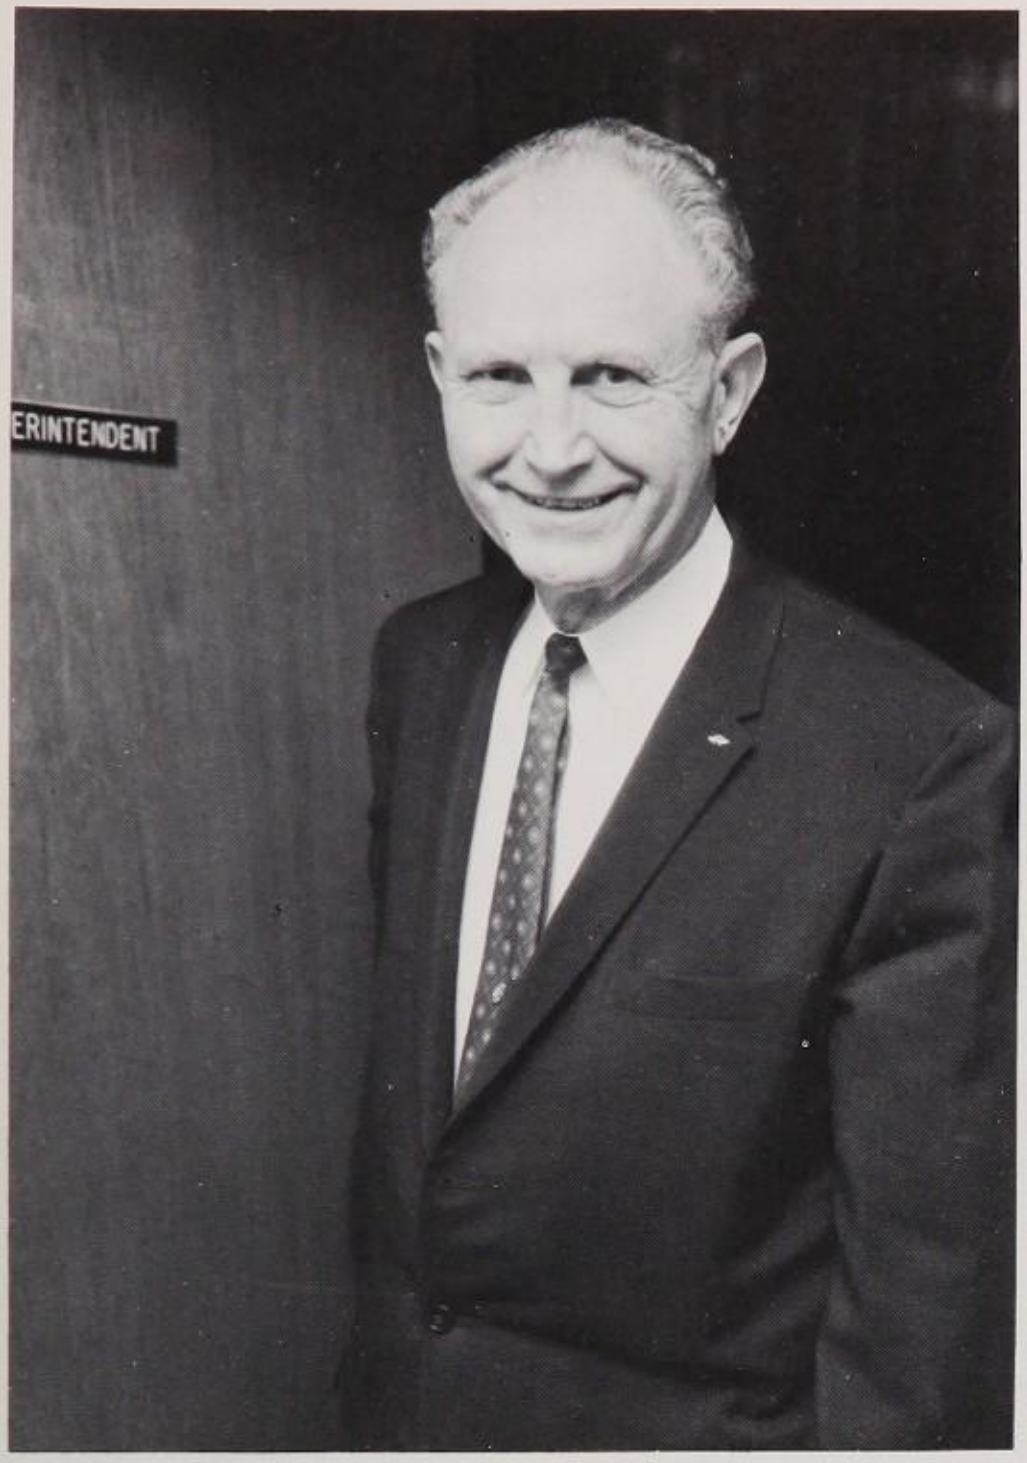
The school board of the David Douglas School District is composed of eight men from the community who take time out from their varied occupations to devote many hours to the continued improvement of the education system of the District. Each member, elected by the voters, serves a five-year term. Their chief responsibilities are proposing bond issues, distributing funds for various services, and making decisions on all matters of school policy.

School board meetings are held on the second Monday of each month, and interested people from the District are invited to come to observe the workings of the board and to voice any opinions they might have to help it in the work of organizing the District.

Mr. Watson and Mr. Horner, who also attends the board meetings, relax for a moment before a meeting.

A chuckle clears the air before getting down to the serious business of the board meeting.

SCHOOL BOARD MEMBERS Sitting L to R: Chairman Dr. W. K. Niece, Mr. Wayne Taylor, Mr. John Bloodworth, Mr. Robert Watson, and Mr. Alfred Thomas. Standing L to R: Mr. Vern Gibbs, Mr. Floyd Light, Mr. John Blake, and Mr. Myron Curtis.



Mr. J. Floyd Light

Superintendent

Mr. Floyd Light, serving as superintendent and chief administrator of the David Douglas School District, occupies an important and necessary position in running a thoroughly organized and efficient school system. Under his guidance and firm determination to excel, the David Douglas District functions productively and effectively. His responsibilities range from being well informed upon all matters pertaining to each school within the district to budget planning and school activities. Acting as the school board's executive officer, Mr. Light helps direct the school district in its pursuit of a bright and progressive future.

Deputy Superintendent

Functioning as deputy superintendent, Mr. Howard Horner's first obligation is to assist the superintendent with his many and varied responsibilities. In charge of secondary education, Mr. Horner delegates duties to and works in close association with the high school administration. Besides supervising the curriculum and personnel of the secondary schools, he aids in the management and execution of federal funded programs, such as the Head Start Project. Mr. Horner is also responsible for a series of plans destined to improve instruction, such as the Oregon Program.

Mr. Howard F. Horner

Mr. Robert Daggett

Mr. Daggett keeps close tabs of the score at a varsity basketball game.

Senior Building Principal

Mr. Robert Daggett has been associated with David Douglas High School since its opening in 1954-55. Beginning as a physical education instructor, he became vice principal for boys in the junior building and later in 1963 became principal of the senior building. He is responsible for the students' conduct, hiring of new teachers, the student funds, and the administration of the whole school in general.

Unfortunately, this is Mr. Daggett's last year at Douglas. He is taking a position with the Federal Government at the Tongue Point Job Corps Center.

We owe a deep debt of gratitude to him for helping to make our school what it is today.

Senior Building Vice Principals

Mr. Richard Miller

Being vice-principal in charge of boys in the senior building, Mr. Richard Miller is mainly concerned with counseling those boys who need help with social or academic problems. A member of the first faculty at David Douglas in 1954, Mr. Miller has been a physical education instructor and director of athletics for the District. He assumed his present duties of vice-principal in January of 1963.

Next year Mr. Miller will change his duties as he becomes principal of David Douglas High School.

As vice-principal in charge of girls in the senior building, Mrs. Mildred Wirtz has worked diligently to help girls who come to her to solve their various problems. She has been a member of the David Douglas administration since the school's first year in 1954, when she served in the capacity of dean of girls.

The college-bound students of the school remember Mrs. Wirtz for the long hours she devotes each year to helping them decide on the best college for their future instruction, processing their college applications, and assisting them with their scholarships.

Mrs. Mildred Wirtz

Mr. Charles Hosford

Junior Building Principal

Mr. Charles Hosford, principal of the Junior Building, has been at David Douglas since it opened in 1954. Starting as a physical education instructor, he has been a history teacher and a counselor, becoming vice principal in charge of boys in the Senior Building in 1959. Mr. Hosford began serving as principal of the Junior Building in 1963 and has since encouraged the finest of teaching standards for the members of the staff and the highest of academic achievements for the freshmen and sophomores.

Mr. Hosford's main responsibility is to coordinate the teaching procedures of the staff; he also has the final decision of student activities and personnel in the Junior Building. During the summer he is the chief administrator of the district summer school program, which offers students an opportunity to broaden their education and to make up subjects missed during the school year.

enthusiastic fan of basketball, Mr. Hosford enjoys a good game.

Junior Building Vice-Principals

Miss Virginia Shaw

Previously a business education teacher and a counselor, Miss Virginia Shaw became vice-principal in charge of girls in the Junior Building this year. During her years as a counselor she extended invaluable help to students who came in with particular academic and social problems, and as dean of girls this year she has continued that service in addition to her responsibilities of vice-principal. Included in these responsibilities are making arrangements for furnishing all substitute teachers and ordering text books.

When asked what her reaction was to being a vice-principal, Miss Shaw replied that it was very interesting and rewarding to work with the girls and their parents.

Mr. Jerome Beier

Helping the boys with their important problems is only one of the duties that Mr. Jerome Beier faces as vice-principal in charge of boys in the Junior Building. He also takes part in planning and assisting teachers with their instructional programs. Attendance at extra-curricular activities is another very pleasant part of Mr. Beier's responsibilities.

Beginning his career in education as an English teacher in 1959, Mr. Beier soon changed to counseling, which remained his position until this past year when he became a vice-principal. Next year due to the administrative reorganization Mr. Beier will move to the Senior Building where he will assume the duties of the newly created post of assistant principal in charge of the Senior Building.

Counseling and Special Education

The counseling department of David Douglas High School provides students with sound suggestions and advice pertaining to their future ambitions. From his freshman year through his senior year each student is assigned a guidance counselor. These professional men and women are the ones who wisely advise the student through his four years of High School.

By aiding the students in selecting their courses, the counselors have helped direct the college bound scholar in pursuing his prospective field of study and have given generous assistance to those pupils who decide upon vocational occupations after graduation. The department guarantees the David Douglas student paternal concern, sincere understanding, and expert guidance.

With undying patience and strong determination the special education teachers aid the blind, the deaf, and the retarded student in adjusting to the world about him. Constantly confronted with unpredictable and unusual situations, this staff handles each one with cheerful proficiency. The department understands and fulfills the needs of each pupil by helping him with such problems as reading, comprehension, and human relations.

Mrs. Olson helps Diane Norgard with her forecasting.

Business Education

"Top Students Get Top Jobs" is the slogan for the business education department. To get a top job in the business world you have to spend much time and energy developing your talents. Aided by the experienced teachers, students are prepared to enter the business world with a broad knowledge of office practices. Through the courses offered the students learn the use of business machines, typing and shorthand skills, and also business law and recordkeeping to better their chances for the big job. To put these skills to personal use, courses are offered in personal typing and briefhand that will be of value in high school and also for those who go on to college.

Home Economics

Each day a home economics teacher must face scores of girls seeking knowledge of the domestic sciences. Under her patient guidance the girls learn the answer to questions such as, "What is back stitching, anyway?" At David Douglas the opportunity to learn the art of being a homemaker is given all four years. For seniors who have not taken home ec, a course in home management is offered which concentrates on several subjects including family budgeting and child care. The intention of this course and all courses offered by the department is to prepare the girls for their life after high school.

The home ec girls prepare to cut their masterpiece.

Fine Arts

Creativity has been the main goal of all fine arts instructors. Through the courses in drama, speech, music, and art, the department encourages the student to develop his capabilities in the field of humanities. By means of competitive speech tournaments, dramatic school plays, instrumental and vocal concerts, and field trips to such institutions as the Portland Art Museum, the highly qualified staff has been able to develop in their pupils a keen sense of appreciation for the liberal arts.

Foreign Language

Well trained and competent foreign language instructors have provided the David Douglas High School student with the opportunity to learn a foreign tongue. With the latest addition of a specially equipped language lab the department has been able to further develop their pupils' ability to comprehend a foreign language at a most impressive rate.

The highlight of this year's activities was the annual foreign language field day held at the University of Oregon. The exchange of ideas at this event for all participating teachers and students again proved to be a worthwhile experience.

English

English plays a very important role in the life of students at David Douglas. Starting at the freshman level, the English teachers instill in the students good English habits. This is accomplished by grammar studies, the reading of literature, and the use of the library.

At the sophomore level, students are given a chance to further advance their grammatical skills and use of the English language. The sophomores prepare a vocational notebook on some occupational choice, and also learn to evaluate and appreciate various types of literary forms.

As juniors, the students in their English classes are given a chance to put their knowledge and previously learned skills to practice. The students are acquainted with the various thoughts and ideas expressed in American literature. This is done by developing the students' ability to think critically and analyze the written and spoken word.

In their senior year, the students complete their study of English. Searching out, organizing, and analyzing their material, the students give many author talks throughout the year. They are encouraged to express their ideas with force and clarity. They are also given a course in the reading lab to help improve their reading ability. All four years of English help to make the students better human beings.

Mathematics

If you ever sat in Math 1-2 wondering what connection all these numbers had with practical living, have patience! Mathematics has an endless variety of applications, ranging from filling out income tax forms to launching rockets. A sound background in math is invaluable and essential to many occupations. David Douglas has an excellent staff of math teachers ready to help the student tackle the theorems of geometry and explain the deeper mysteries of trigonometry. Because of the demand for higher learning, the mathematics department has been continually adding new and different courses to its curriculum. Next year, in addition to the wide range of subjects already offered, there will be a semester of calculus.

Physical Education

GIRLS' P.E. LtoR:—Miss Michael, Miss McKee, Mrs. Griffith, and Mrs. Byrd.

Physical education at David Douglas is more than fun and games. It is a carefully planned course to develop students' bodies through systematic exercises and participation in activities such as basketball, gymnastics, and track. Equally important is the development of good safety habits and sportsmanship in games played in or out of school.

Health is a required part of the physical education program and is designed to make the student aware of good health habits and some of the problems of today's life, including alcoholism and mental illness. Another phase of health is traffic safety which demonstrates through films the good and bad practices of the road and encourages students to be conscientious and responsible drivers.

Industrial Arts

David Douglas offers a wide range of industrial education courses designed to help interested students who want to attain skills that will be useful to them in jobs and hobbies after graduation. To develop these skills there is a complete workshop in each of the four general areas of industrial arts: wood, metal, electronics, and drafting. In wood and metal students learn how to work with power machines and fashion useful objects out of the various materials. The use of electric currents is taught in electronics along with the practical application of the laws behind their operation. Drafting offers students an opportunity to work with blueprints, and advanced classes even draw up plans for a frame house that meet professional standards.

Social Studies

Three years of social studies are required at David Douglas. In the first year freshmen are introduced to world geography, studying the physical layout and climatic regions of the globe. United States History for juniors is the next required course. It goes deep into the history of our country, dealing extensively with cause and effect relationships and the reasons behind historical events. Seniors take modern problems as the third year of social studies. Each six weeks there is a different unit such as economics and international relations presented with lectures, guest speakers, and skits to demonstrate the point of the lessons.

There is also one elective, world history, offered in this department. In this course students study ancient and contemporary civilizations to give them a better understanding and appreciation of other cultures in the world.

Science

Science is one of the most fascinating, fast-moving subjects in the world today, and the courses offered at David Douglas are constantly changing to keep up with new discoveries and techniques. The purpose of these courses is to give the student a background for future college studies and to help him understand some of the complex advances that are going on today.

Science is particularly attractive to the person who wants to apply the abstract ideas he learns in class to the concrete realities of the world he lives in. Biology, chemistry, and physics all offer excellent labs in which to experiment with theories taught in the classroom from dissecting worms and studying their body structure to mixing two chemicals and observing the resulting reaction.

Student Teachers

Facing a full classroom of strange high school students is only one of the experiences confronting a student teacher at David Douglas. To earn his degree in education, the teacher-to-be must instruct a class for a complete term, developing his own techniques of teaching and discipline. Watching experienced teachers handle their classes is a great help to the student teacher who is striving to perfect his own methods. Encountering actual classroom situations is also valuable in preparing a student teacher for his proposed life's work.

SENIOR BUILDING SECRETARIES LtoR:—Mrs. Burnham, Mrs. Taylor, Mrs. Hergert, Mrs. Janssen (seated), Mrs. Applegate, and Mrs. Heald (seated). Not pictured Mrs. Skoglund.

Secretaries

HELP WANTED: Secretaries for a large suburban high school office. Typing, shorthand, and office machine experience preferred. Should be cool and calm in all situations and be able to meet all emergencies. Must have friendliness and helpfulness known to this school. Those who meet the previous requirements apply at David Douglas High School.

Recognizing the fact that a secretary is more than a pair of hands attached to a typewriter, the students and staff of David Douglas appreciate the secretaries in our offices and the tremendous job they do each year.

JUNIOR BUILDING SECRETARIES LtoR:—Mrs. Carlson, Mrs. Kiddo, Mrs. St. Hilaire, Mrs. Kelsay, and Mrs. Harrington.

NURSES LtoR:—Mrs. Metzger and Mrs. Lusetti.

Nurses

The nurses of David Douglas are highly qualified individuals who perform a very vital function in the everyday life of the school. With great skill and understanding patience they perform many duties to ease the aches and pains of any ill or injured member of the student body. Among the duties of the nurses are administering first aid when needed and inquiring about an ill student who may have a contagious disease.

SENIOR BUILDING LIBRARY STAFF LtoR:—Mrs. Irene Gray (assistant) and Mrs. Trudy Williams (Librarian).

JUNIOR BUILDING LIBRARY STAFF LtoR:—Mrs. June Smelser (Librarian) and Mrs. Shirley Anderson (assistant).

Librarians

The head librarians Mrs. Trudy Williams (B.S. Oregon College of Education, M.Ed. University of Oregon) Mrs. June Smelser (B.S. University of Oregon, B.A. in L.S. Columbia University) are assisted in their duties by Mrs. Irene Gray, in the senior building and Mrs. Shirley Anderson, in the junior building. These ladies are faced with the problems of placing books in their proper places on the shelves, keeping a card catalogue of each author, and keeping an up-to-date supply of magazines and newspapers. All of these services are needed to aid the librarians in helping the students and faculty to use the library to its best advantage.

JUNIOR BUILDING COOKS: Mrs. Miller, Mrs. Stroh, Mrs. Hamme, Mrs. Wilson, Mrs. Guthrie, Mrs. Harris. Not Pictured, Mrs. Coatney, Mrs. Baker, Mrs. Hunefeld.

SENIOR BUILDING COOKS: Mrs. Oberkamper, Mrs. Smith, Mrs. Affeldt, Mrs. Norman, Mrs. Haven, Mrs. Way, and Mrs. Coombs. Not Pictured; Mrs. Gillis

Cooks

Organized, experienced, and efficient, the cooks diligently perform their duties with skill as well as imagination in providing both the David Douglas students and faculty well balanced meals. Working in their sanitary surroundings, the cooks daily prepare a wide variety of nourishing foods for snack and lunch.

Bus Drivers

With many outstanding feats of patience and steely nerves the bus drivers of David Douglas shuttle the majority of the students back and forth to school each day. Many are parents of students attending the school who want to help out. They are also on hand for football and basketball games, field trips, and other events that call for organized transportation.

Row 1 LtoR:—Mrs. Evelyn Griffis, Mrs. June Bahuy, Mrs. Alta Metcalf, Mrs. Cleo Watson, Mrs. Nina Super, Mrs. June Jewett, Mrs. Maxine Whitehead, Mrs. Betty Castro, and Mrs. Francis Simmons. Row 2 LtoR:—Mr. Marvin Brock, Mr. Roy Clark, Mr. Charles Tollman, Mrs. Donna Geisler, Mrs. Stella Brock, Mrs. Nola Batchelor, Mr. Walter Maas, Mrs. Ann Davidson, Mr. Virgil Hess, Mrs. Lucille Muir, and Mrs. Naomi Amundsen.

SENIOR BUILDING CUSTODIANS: Sitting LtoR:—Mr. Frank Weaver, Mr. Martin Geiger, Mr. Reas Allen, Mr. Carl Dailey, Mr. Duncklee Conger, and Mrs. Fern Hughes. Standing LtoR:—Mr. Marion Barnes, Mr. Dwayne Harvey, Mr. L. Dale Harris, and Mr. William Harder.

Custodians

No school or office building can operate efficiently unless it is kept clean and orderly. David Douglas has a large corps of custodians working all day and part of the night to keep the school in good operating condition. They maintain the grounds, keep the building in top condition, and are always ready to help with heavy jobs which may arise during school.

PTSA BOARD LtoR:—Mrs. Ardelle Dennis, Mr. William Zehr, Mrs. Avis Young, Mrs. Barbara Hatch, Mrs. Ann Holland, Mrs. Shirley Marcy, Mrs. Opal Carper, Mrs. Donna Geisler, and Mrs. Neva Alexander.

The David Douglas PTSA was organized to create a better understanding among parents, teachers, and students by informing them of the progress of the school. Monthly meetings include a short business session, leaving most of the time to be devoted to interesting programs. After each meeting everyone has an opportunity to become better acquainted during an informal coffee hour. In December and February the regular meetings are abandoned for special projects, such as CarniCapers. Besides being fun, CarniCapers is a means of raising funds for the benefit of the student body. These funds contribute to the PTSA scholarship award given to a worthy senior each year.

Important issues are discussed at the Dads' Club meets.

Dads Club

DADS' CLUB OFFICERS LtoR:—Mr. Loyd Hammons, Mr. Walt Laird, Mr. Keith Anderson, and Mr. Goody Gudmundsen.

The David Douglas Dads' Club is an organization made up of fathers of Douglas students and other interested men in the District who want to be involved in the school program. The activities of the Dads' Club include sponsoring the annual Father-Daughter banquet, promoting the yearly wrestling invitational meet, and running the concession stands at football games. Through profits from the concessions, dues, and fund-raising projects the Dads' Club gives financial support to the student life at David Douglas, their outstanding contribution being the Dads' Club Scholarship which is given each year to a senior who needs and deserves the assistance to go on to college.

"Stomp those students!"

The faculty met the students to give them a real challenge in the Faculty-Student Scholarship Basketball Game. Through four sensational quarters the faculty fought hard but were held back by the J.V. and Varsity teams with the final score being 61-51.

Varsity and J.V. rallys were there to cheer on their teams and some spirited members of the faculty showed up to inspire great things from their team.

The game was sponsored by Qualha with profits for the admissions put into the general scholarship fund. This money went toward scholarships given to worthy seniors in June. This year's game netted $310.55.

Winter Concerts

Performing in concert represents the final product of many hours of work on the part of both the teachers and the students in the music department.

The excellent concert presented by the bands and the Vagabonds in December included in the program selections ranging from Schuman to Porter, all performed with great virtuosity.

Starting the second semester with a musical note, the choral groups offered their first program of the year in late January. The A Cappella choir as well as the orchestra and string ensemble performed both classical and contemporary selections.

The final concert of the winter season was given by the Junior Building music department in February as the new musicians gave a preview of our future performers.

Christmas Assembly

Mr. Morrison directs Regina Coli, by Mozart.

The meaning of Christmas is illustrated by the sophomore drama students.

A mixture of seriousness and humor added up to make this year's Christmas Assembly meaningful to everyone. Mr. Wells and Mr. Smith, playing the role of identical Santas, provided a special touch of nonsensical entertainment by interviewing various members of the student body as to their Christmas wishes.

With the various music groups under the direction of Mr. Morrison and Mr. Saracco furnishing a musical background, the sophomore drama department created the Nativity scene in the center of the floor, revealing to all Scots the true meaning of Christmas.

Chris Griffin makes her Christmas wish.

Will the real Santa please stand up.

Carnicapers

Carnicapers, sponsored by the P.T.S.A., was as usual a huge success. There were many games of skill and luck for those who wished to compete for the fine prizes.

In addition to the usual activities, two other events highlighted the evening. Showing many of their natural talents, the faculty performed a hilarious skit for the enjoyment of all. Also, the "Intruders", a combo made up of David Douglas students, played for those who wished to dance.

Mr. Slocum and Mr. Erskine sang some Mexican songs in the faculty skit.

Mrs. Reynolds exclaims, "It's spring!", during the faculty skit.

Many games of luck and skill were played by all.

The "Intruders" played popular songs for those who wished to dance.

Father - Son

The annual Father-Son Banquet, sponsored by the Dad's Club, was held this year in December. Following the delicious meal served to them by the girls of Taif social service club, the fathers and sons had the pleasure of listing to John Ralston, head football coach at Stanford University. Mr. Ralston spoke of college life and sports. Entertainment was provided by the David Douglas dixieland band and Mr. Ernie Bryan who performed astounding feats of magic to the delight of everyone.

Mr. Daggett addresses the gathering.

Father - Daughter

This year's Father-Daughter Banquet welcomed Mr. Daggett as speaker prior to the eating of the roast beef dinner served by the members of the wrestling team. Entertainment for the evening was supplied by Lipman's department store in the form of a fashion show. Prizes and gift certificates were given out to the girls lucky enough to hold the winning numbers. Among the prizes awarded were a beautiful swimming suit and a blue knit outfit.

Jeanne Gudmundson and Debbie Goins were among those who attended the Father-Daughter Banquet.

Donkey Basketball

Students versus the faculty? It was more like donkeys versus people in the game sponsored by the Adventurers Club. Both the students and faculty were ready for an enjoyable game of basketball while riding on the backs of the donkeys, but the donkeys had other ideas, and as a result many students and faculty spent the night on the floor. All of this torture was worth it though, because the money made from the game went for the support of a South American school.

Mr. Gernhart displays a different technique in riding.

'Younger than Springtime'

Everyone was dressed in springy cottons to greet the coming of spring at the annual Cotton 'n' Cords dance. The sophomore class joined together and worked like magicians to transform the cafeteria into a garden of springtime and flowers.

Live music was provided by the sophomore dance band, and Sharon Carney entertained everyone by singing several songs. The highlight of the evening, of course, was the crowning of Tom Jones as King Cotton. This was a night to be remembered for all those who attended.

One Act Plays

Staging one-act plays written by David Douglas students is an annual event sponsored by the Thespians. Many hours of work go into these plays that are produced, directed, and acted by the students of each class. The climax of all this work and the highlight of One-Act Play Night is the presentation of awards for notable achievements in the dramatic arts. For their efforts this year the following students received honors from the Thespians:

Best Director . . . John Watts . . . "A Letter to Aunt Beatrice"
Honorable Mention . . . Dick Cooley . . "Wendy"
Best Actor . . . Clyde Baker . . . "A Letter to Aunt Beatrice"
Best Actress . . . Toni Rizzo . . . "Wendy"
Best Supporting Actor . . . Warren Hartung . . . "Wendy"
Best Supporting Actress . . . Marsha DePrez . . . "A Letter to Aunt Beatrice"
Best Script . . . Sue Herret . . . "A Letter to Aunt Beatrice"
Honorable Mention . . . Dick Cooley . . . "Wendy"
Best Set Design . . . Dick Cooley . . . "Wendy"
Honorable Mention . . . Neil Vincent . . . "Miss Harris"

The following actors received honorable mention:
Gary Nelson, Barbara Chetwood . . . "A Letter to Aunt Beatrice"
Lynda Dumont, Mary Romano . . . "Wendy"
Debbie Heasley . . . "All Their Tomorrows"
Gail Jeffrey . . . "Miss Harris"

Spring Concerts

In spring concerts this year many forms of musical skills were displayed. The orchestra, band, and junior ensemble joined together their outstanding abilities, providing a night of enjoyment for all.

In the final spring concert of the year the choir and orchestra presented the music from the play "South Pacific." Dressed in authentic costumes with appropriate background scenery, the talented vocalists and instrumentalists drew much deserved applause from the large audience.

Easter Assembly

Qualha social service club sponsored this year's Easter assembly. The program consisted of such inspirational songs as "Last Words of David," "Santus," and "They Know Thy Name," sung by the choir, Vagabonds, and girls glee. Shawn Fisher offered a thoughtful speech, and Janet Petrasso supplied organ music.

John Watts, last year's Best Actor, gives Sue Herrett the Best Actress award for her performance in Stage Door.

The highest honor that can be paid to a Thespian is being named Best Thespian. Here John Watts accepts this award from last year's winner, Marilyn Beard.

Dick Cooley receives the Best Actor award from Allison Walters, last year's Best Actress.

Neil Vincent was bestowed with two honors, those of Best Behind the Scenes and the Thespian Scholarship.

Drama Banquet

The Drama Banquet is to Thespians what the Academy Awards ceremony is to the motion picture industry. Each year the drama students of David Douglas sponsor a banquet to honor those students who have made outstanding achievements in the dramatic arts in the past year. The awards are presented with all the suspense and excitement of the movie "Oscars."

In order to be nominated for an award one must first be a member of Thespians. The members then vote for the person they think deserves the award in each category. This year the following were chosen to receive awards: Best Thespian—John Watts; Best Actor—Dick Cooley; Best Actress—Sue Herrett; Best Supporting Actor—Warren Hartung; Best Supporting Actress—Barbara Chetwood; and Neil Vincent for Best Behind the Scenes and the Thespian Scholarship.

Many enjoyable songs were played by the Dixie Land Band for the entertainment of all.

Pam Wilson, winner of the Betty Crocker Homemaker of Tomorrow Award for outstanding knowledge and achievement in the field of Home Economics, is pictured preparing a meal.

Homemaking

Awards

Each year David Douglas is fortunate in having several students' win awards in various fields of competition. This year some of the more outstanding awards were presented for all around achievement by the Optimists Club, speech department, and home economics department.

Optimist

Optimist awards are presented by the Southeast Portland Optimist Club to those students deemed worthy by the faculty and administration. This year's awards went to Gilbert Johnson, Gary Vanlandingham, Neil Vincent, Janet Soles, and Lydia Work. Presenting the awards were Mr. George Rider and Mr. John Budihas.

Speech

This year's speech squad can well be proud of the many trophies and honors they won. Among the more notable achievements were five people qualifying for the State Speech Tournament, and one person qualifying for the National Tournament.

Itch the Witch conjures up a potion for Moose's upset stomach.

Class Assemblies

Sophomore

Spies and other types of shifty characters drifted through the sophomore class assembly as it took on tones of James Bond and company. There was even a dimly lit nightclub scene complete with a floorshow that consisted of the talented singers and dancers of the sophomore class. Several promising combos and aspiring young go-go dancers also performed, leading our .007 hero into the depths of degradation. However, before Agent .007 went the way of all flesh, he was saved by a friendly fanatic who frequently interrupted the program warning of the evils of our times and begging us all to repent.

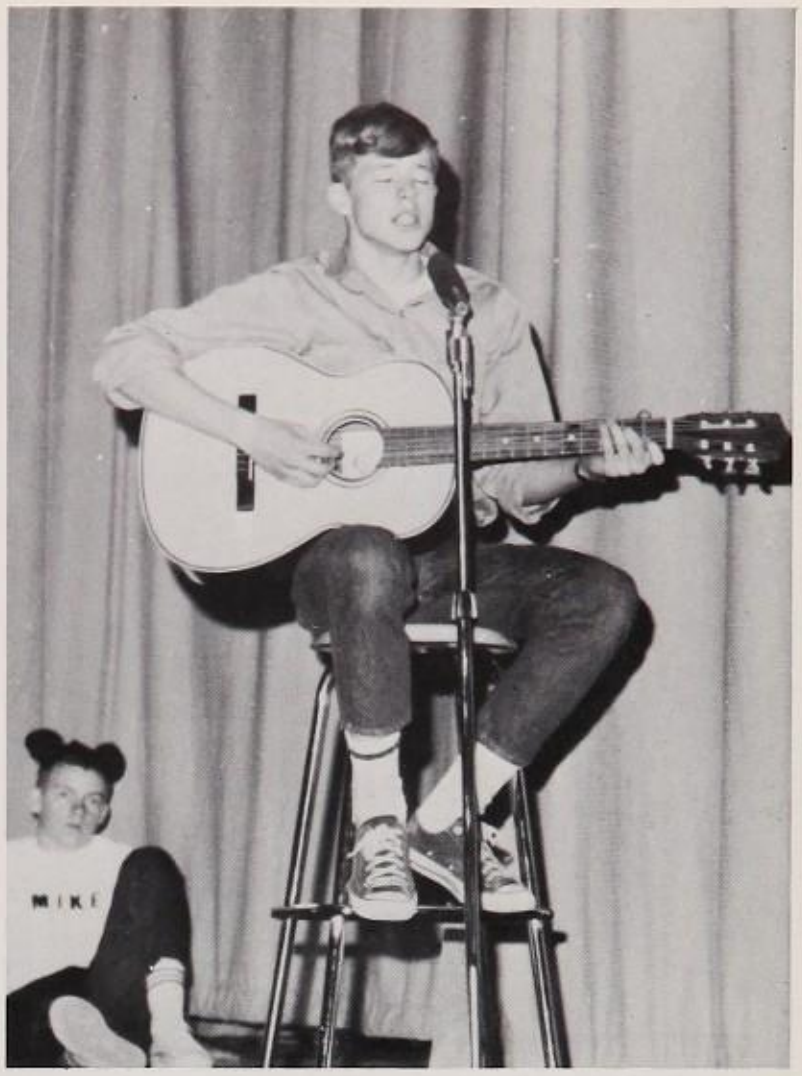
A friendly sophomore fanatic is escorted off stage by two admirers.

Juniors

The progression, or as some might call it the regression of music since prehistoric times was the theme of the junior class assembly. The show was opened by Itch the Witch, the first prehistoric go-go girl, who made a forecast of the future of music.

We were taken through the jazz era via The Pink Panters and other musicians who participated in the assembly. We saw several forms of dance from the jitterbug to a modern interpretation of the James Bond Theme. American Bandstand also made an appearance with a dance contest, and the whole cast joined in the finale singing, "I Want To Hold Your Hand."

Larry, "The Pelvis," Watson is mobbed by his fans.



Freshman Vic Becker sings "Josie."

Freshmen

"M-I-C-K-E-Y M-O-U-S-E" was the theme of the freshman class assembly. Numerous dancers and singers were "guest stars" in David Douglas's version of the Mickey Mouse Club. The charleston was demonstrated as well as modern jazz. The singers included several folk singing groups and the freshman ensemble. The highlight of the show was when Mickey himself appeared.

A group of freshman musicians performed between acts and during commercials. Several combos let loose with the latest songs while "Roy," the big Mouseketeer, twisted across the stage. At the end of the show all the performers were given their mouse ears and declared honorary mouseketeers.

The Mouseketeers are entertained by the freshman ensemble singing "Big Rock Candy Mountain."

The first signs of May Fete came when all of the senior girls gathered in the cafeteria for preliminary queen screening. This was followed up with three more screenings, and finally eight girls were presented to the student body for the vote. With the announcement of Queen Peggy I and her court, the 1966 May Fete festivities began. The gala week consisted of work and fun as preparation was made for that final day of excitement.

On May Fete day the entire David Douglas student body and faculty, gathered in the gym as Queen Peggy I was crowned by last year's queen, Gay Neher. Later that evening the queen and her court were honored at the Queen's Banquet and the Command Performance. Concluding this week of gaiety was the Queen's Ball, where couples danced to music of the David Douglas Dance Band.

* SAYONARA

Juniors began planning for the Junior-Senior Prom five months before the memorable event held each year in honor of the departing seniors. In early fall the juniors sold candy bars to raise funds for the dance. Then came the work of organizing committees and putting their plans into action.

"Sayonara" was the theme chosen for this year's prom, and it was carried out in the dance decorations, the dance cards, and the refreshments. A large pagoda was constructed in the center of the floor surrounded by a beautiful Japanese garden. Students dressed in kimonos served fortune cookies to the guests.

Scot couples danced to the music of the Hal Swafford Band of Renown. Intermission entertainment was provided by The Four-Fifths, a local group specializing in popular folk songs.

The prom this year was a huge success for all who came or helped. "Sayonara" was a fitting way to end a wonderful year.

The final dance is both happiness and sadness in everyone's heart.

Juniors Jerry Loe, Chris Heald, and Merle Sogge worked late hours to construct the pagoda.

A look into the future is given to those who attended the prom, as they sampled their fortune cookies.

Rec Nite

Fun and games, spills and chills (especially pies)! Yes, that's what a rec nite really consists of. Ping-pong, basketball, and volleyball along with many other types of fun games and excitement were always available for those who wanted to participate.

For those less athletically inclined, there were pie eating contests and dancing to the music provided by The Syndicate. At the end of the evening everyone went home completely exhausted from all the activities.

Jerry Takeuchi seems to say, "They'll never replace the pies my mother makes."

Roberta Lamm, Bonnie Rulli, and Joy Lamb have fun playing ping-pong.

Spirit

Pep Assemblies

Pride and spirit really ride high at David Douglas when the student body gets together to cheer their teams on to victory. The pep band enthusiastically welcomes the crowd with rousing music as they file into the gym. Entertainment follows with faculty skits and a variety of dance team numbers which add to the matchless spirit of the Scots. Taking the reins of the animated crowd, the rally, leading old and new yells, provides one final burst of enthusiasm before the students leave, the fight song still ringing in their ears.

The dance team makes a group of very pretty spies as they dance to "Peter Gun."

Taking great pride in David Douglas, each member of the pep club displayed overwhelming amounts of spirit. This contagious spirit was evident as the girls sold programs at football games, decorated the goal posts, and put on skits at pep assemblies.

Mrs. Byrd: Rally Coach

Mrs. Byrd helps rally members.

David Douglas has one of the finest high school rally squads in Oregon. A primary reason for this excellence is the coaching of Mrs. Byrd, varsity rally advisor. Mrs. Byrd has been advisor to the rally for three years and a dedicated physical education teacher at Douglas for nine years. Being able to work with the girls is what Mrs. Byrd enjoys most about her job.

Drum Majors

Leading 150 musicians while marching is a great responsibility. This job was placed, this year, on the shoulders of Dan Dees and Merle Sogge, drum majors. Besides leading the largest band David Douglas has ever had, they added a true sense of Scottish atmosphere by wearing the traditional Scottish dress uniform.

Frosh Rally

The freshman rally squads play a very important role in the student life of the freshman. Leading the students at freshman games in cheering the young Scots on to victory, the frosh rally are the first to instill in the freshmen the spirit that is found only at David Douglas.

State A-1 Champs

For the secona time in the short history of David Douglas, the varsity football team captured the State A-1 High School Football Championship. With the same fierce determination that drove them to their first title in 1960, the Scots finished the regular season play with an unblemished mark of 9-0. This team was blessed by having the finest backfield and one of the best, if not the best defense in the state. Cam Sinclair, Rick Harrington, Dave Miller, Larry Watson, Dennis Gassner, and Mike Kolin provided the tremendous ground attack that was the trademark of the Scot gridiron machine. A stringent defense, led by Bill Baechler, Dennis Hammons, Bill Zimmerman, Jack Stambaugh, and Gary Singleterry gave the offense the ball on interceptions and fumble recoveries in every game during the season and was a key factor to the capture of the title.

Credit must be given to the coaching staff of Bob Grottkau, Wyman Gernhart, Tom DeSylvia, and Head Coach Marv Hiebert, for they provided the direction for a winning season.

Captain Tim Wilmarth and Cam Sinclair were named the Scholar-Athletes from the Metro League, and Sinclair was the recipient of the outstanding back award at the Scholar-Athlete banquet.

Scots Cap Season With State Title

With a perfect season's record of nine wins and no losses, the Metro League Champion Scots met Franklin, the P.I.L. champs in the quarterfinals. Showing their season-long form, the Scots piled up nearly 500 yards on the ground, and whipped the Quakers 43-0. This was accomplished even though rain poured down for the entire game, making the field a sea of mud.

Grants Pass, the Scots' opponent in the semifinals, posed the toughest challenge for the Red and Gray on their drive to the crown, for both teams were undefeated and the Cavemen were driving to their second consecutive state title. Again playing in the rain the Scots rolled up over 400 yards, beating the number one defensive team in the state, and earning the right to meet Reynolds at Multnomah Stadium for the title.

Literally bogged down by the mud, which failed to stop them in the two previous playoff games, the Scots took to the air in the championship game for their first score on a 43 yard pass from Cam Sinclair to Rick Harrington. Aided by several key plays, Douglas scored two more times, and then held off a determined Lancer team to win, thus capturing their second title in the school's history.

As the final gun sounds, the Scots are 20-13 victors over Reynolds, and the 1965 State A-1 Football Champions.

"And they're off!" To many people these words signify the starting of a horse race. But to the dedicated cross country team this is the start of a race that they have worked hard and long for all week. These words brought a very prosperous season to the team, for they finished first in district and ninth in state. Leading the Scot thinclads was Bill Ross, second in district and seventh in state, and Gary Lane, seventh in district and twenty-eighth in state.

The Scots captured the Metro League crown by defeating Centennial by one point. In addition to Ross and Lane others contributing to this win were Larry Wilson, Perry Lent, and Bruce Drugg, who finished 11th, 19th, and 20th respectively, bringing the Scots' points to 59 and netting them first place.

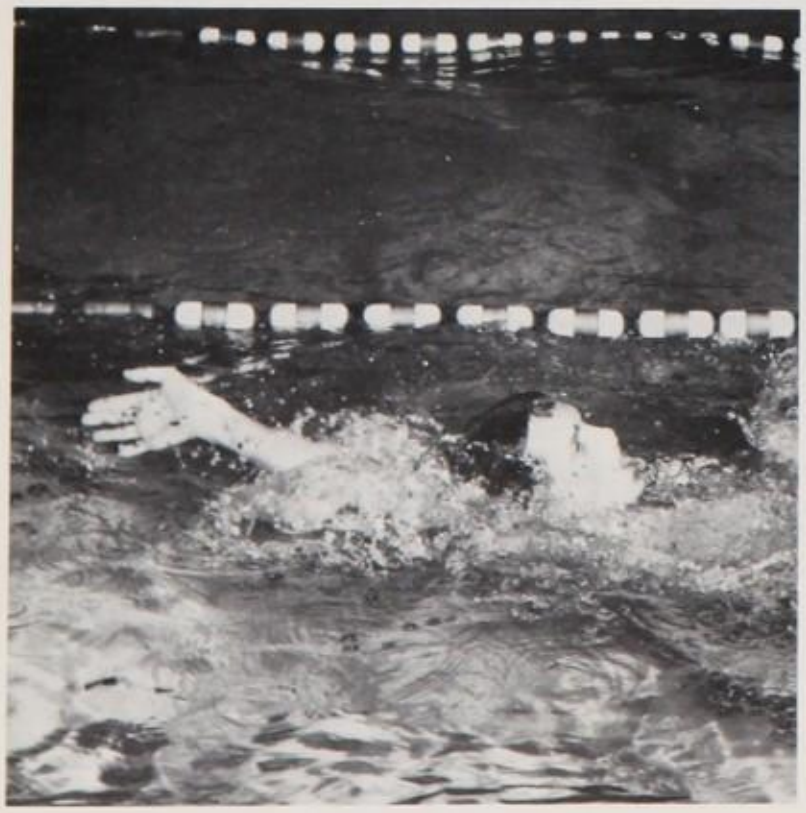
Boy's Swimming



Sleek form is exhibited by a Scot swimmer in the backstroke.

As a snowball rolls down a hill, it picks up more and more snow and gets bigger and better. The same is true of the boys' swimming team. Every year it gets bigger and better. This year's team was the biggest and best ever to represent Douglas. When they went to the District meet, they were rated down on the scale. But they pulled some very surprising upsets and took first place in District. Winning first places in their events were Gary Brain, diving; Eric Houghton, 200-yard freestyle; and Dave Whitney, 100-yard backstroke. Also, the Scots captured a number of second and third places to send 32 boys, the most in our swimming team's history, to State. Their strength and depth enabled the Scots to capture ninth place in State.

Girls' Swimming

Scott lass shows strong effort in the backstroke.

"Girls! Girls! Girls! What good are they?" This is some people's reaction as to whether or not a girl is an athlete. But Coach Jacklin and a dedicated team of swimmers made up of girls proved how wrong they are. In the District meet, they finished second behind a strong Beaverton team. Helping in this second place finish were Elaine Hartman, Carol Eckstrom, Chris Bossert, Linda Steigler, Jean Weathersbee, Karen Mitchell, Sharon Shager, Nancy Downing, Nancy Dagget, and Jollen Gettig. Carol Eckstrom was the outstanding swimmer with three first place finishes in District. Another first place was garnered for the Scots by the 200-yard free-style relay team. At State they had a spectacular show and finished tenth in State. This was remarkable for a team only in its second varsity year.

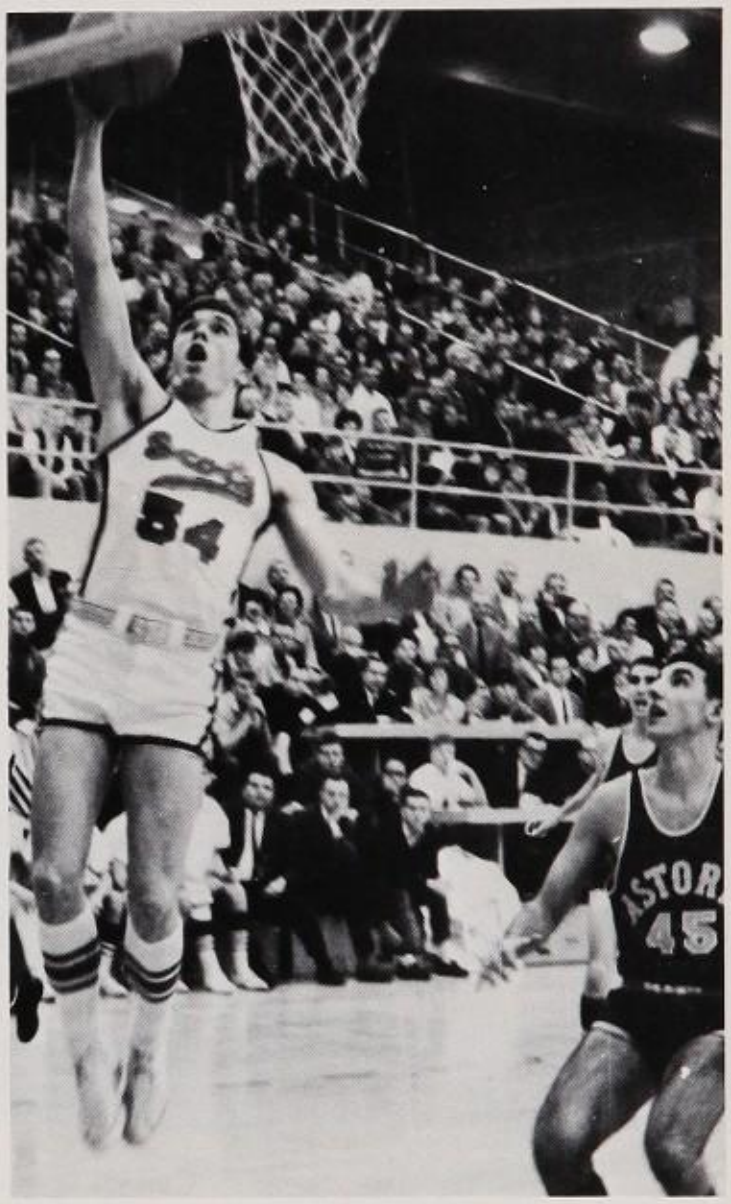
This year's team, again the smallest in the league, was picked by a pre-season poll to finish fourth in the league. But in the first half, the Scots fought valiantly to gain a second place finish. This made the Scots a contender for the State tourney berth. In the second half of the season, the Scots got off to a slow start, losing the majority of their games. However, in the last few games the Scots showed a spark that had not been seen for quite a few games. They defeated Sunset and Gresham, the league leaders, throwing them into a tie for second behind Astoria, and forcing the first playoff in Metro league history.

Helping put this spark into the cagers were Cam Sinclair, Jerry Spicher, Sam Spicher, Larry Watson, Jack Stambaugh, and Doug Skille. Doug was named to the All-Metro second team.

Doug Skille goes up for two more points against Sunset. The Scots won this game 58-56.



Jack Stambaugh puts two more counters up for the Scots' cause. Astoria won 47-52.

Boys' Gymnastics

This year's gymnastics team was the strongest one in David Douglas' history. Possessing a potential to be the A-1 State champions, both the boys and the girls had state champions in their ranks. After the boys captured first in the Northern Division District Championships, they went on to place second in State. Gary Brain was the big factor for the boys, capturing a state championship in the long horse and ending up second in all-around competition. Others helping the team were Don Avance, R. D. Fortner, Gary Singleterry, Martin Huston, George Shoemaker, Dennis Lloyd, Jim Pittman, Joe Yamauchi, and Mike Walker, who captured a state championship in the horizontal bars. The girls also garnered second place in state. State A-1 Champions!

After completing an undefeated and untied season, the 1966 Scot wrestling team captured the District title and qualified eleven wrestlers for the State meet. At State the Scots completely dominated the mats, thus collecting the second State A-1 wrestling championship in the school's history. Helping in this tremendous effort was Greg Morgan, who captured his third successive State championship, and Tim Wilmarth who collected his second straight title at 191 pounds. Both Morgan and Wilmarth went undefeated throughout the season. Also aiding in the Scots' mat triumphs were Randy Mills, Joe Phillips, Mark Worrell, and Joe Waller. Mills and Phillips finished second in their respective weight divisions while Worrell and Waller placed fourth.

Added to the State and District titles were two invitational championships: the Madison Invitational and the David Douglas Dad's Club Invitational. Also, the grapplers nabbed second place in the Marshfield Invitational.

In capturing the State championship, Coach Delance Duncan, in his first year as a varsity coach at Douglas, was aided by J.V. and freshman coaches, George Kom and Tom DeSylvia.

Although losing much through graduation, Coach Duncan is looking forward to another good year with support from the J.V. and freshman ranks.

The 1966 Rifle team, composed of Tim Shomberg, Bill Maas, Don Chapman, Bobbi White, Ron Mair, Gary Hanson, and Alan Roundy finished fourth in league competition, and second in the National Rifle Association Regional and Sectional match.

Coach Robert Edwards commented that even though this was the third year that the league had been formed, new teams and better material have provided stiffer competition. Also, next year will be a building year, with only two returning lettermen forming the nucleus for the team.

Outstanding single performances throughout the year were Tim Shomberg, who placed second in male competition in the NRA Regional match; and Bobbi White, first in women's competition. Shomberg was also awarded the trophy for the most outstanding shooter.

Scots Second in Metro

Achieving an 11-3 won-loss record, the varsity baseball team finished second in Metro League play, two games behind front-running Hillsboro, who went on to win the state championship.

When they met Hillsboro, the Scots were in a tie with the Spartans, each with a 6-0 record. Unable to get men in scoring position, the Scots lost 7-1, thus losing their momentum in their bid for the title.

Outstanding performances throughout the season were contributed by Jerry Spicher, Dennis Hammons, Mike Smith, and Rick Harrington. Spicher, the ace pitcher for the squad, pitched several one-hitters and was a consistent performer the entire season. Hammons and Smith led the Scots in batting, while Harrington was brilliant defensively at second base with few errors to his credit.

Spicher, Hammons, Harrington, and Smith all won berths on the 1966 All-Metro team at the end of the season, and Harrington and Spicher also represented the league at the Metro-State series held in Eugene.

According to Coach Jack Nash next year should be another good year, with several returning lettermen and with support from the J.V. and freshman ranks.

Varsity Track

Coach Max Wilkins

For Coach Max Wilkins and his track team, this was a year which showed great promise. The squad had a good potential, along with depth and perseverance.

There were many outstanding men in all of the events. Dave Ingham was probably the most outstanding of all, with a state best in the javelin of 215′-4″. Others included Bill Ross in the 880 and mile, Steve Vetter in the high and low hurdles, Gary Lane and Tim Schomberg in the two mile, Dale Leabo in the broad jump, Scott Johnson in the pole vault, and Bob Buhl in the high jump.

But the Scots possessed more than just one outstanding individual in each event. Their good depth was shown when they beat out all competition to win the Metro Relays, surpassing the eventual league champion, Centennial. The Scots also beat Centennial again to come in a strong third in the Metro-PIL Relays.

At District, the Scots showed their prowess by sending seven men to State. Four of these were first place winners in their respective events; Dave Ingham, Dale Leabo, Bill Ross, and the 880 relay team.

However, at State the Scots fell short and tied for fourteenth place. Dave Ingham was the lone Scot scorer, with a first place finish in the javelin with a throw of 207′-6″.

Boys' Golf

This year saw one of the largest golf teams in the history of David Douglas. All of the team members helped to make it also one of the most successful for the Scots. Bob Beyer, All-League and All-Metro, led the varsity squad through the season to its record of seventeen wins and nine losses. In All-League competition, the Scots garnered first place. At District, the Scots also captured first place, entitling them a chance to win the State Championship meet. However, at State the Scots' efforts fell short, and they ended up in eleventh place.

Girls' Golf

The girls' golf team, coached by Mrs. Byrd, started this year's season with only one experienced player, Julie Haggblom, returning from last year's team. However, the rest of the team, lacking in experience, showed steady and continual progress throughout the year. Their efforts were rewarded when they defeated a strong Centennial team. Unfortunately, this was their only win in the season. Hopefully, next year's team will be more successful with the return of Jeanette Loe, Janell Biglin, Jane Logan, and Jolene Gettig making up the nucleus of the squad.

Girls' Tennis

Enthusiasm and talent were both present in this year's girls' tennis team. Pacing the Scots to a very respectable record of seven wins and four losses were Joan Miller and Vicki Barkley. In doubles action, the duos of Linda Stiegler-Gloria Gibson and Sue Herret-Kathy Graves scored consistently for the Scots. The return of Joan Miller, Gloria Gibson, and Linda Stiegler promise to make the outlook for next year's team very bright.

Tennis

Boys' Tennis

An enthusiastic turnout began the boys' tennis season with a positive outlook. Out of twenty boys, the top varsity players were Mike Keckler and Jerry Randell, singles; Curt Shogren-John Miller and Mell Lee-Ken Roberts were the top doubles teams. Although the season record was not as good as last year's, the team put forth a fine effort, finishing sixth in league play.

Work produces results, and these results are right before your eyes: the 1966 CELTIC! The members of the CELTIC staff could often be found amid an array of copy sheets, erasers, typewriter ribbons, and photographs busily writing copy or carefully planning layouts. The success of this year's CELTIC did not depend on one person. Instead, it was the combined effort of the entire staff working to produce an accurate account of the school year. Their aim from the first page to the last was to capture the true spirit of student life that is now a memory within each Scotsman.

With a circulation of 3,200 the HIGHLANDER is the largest high school paper in the state. Responsible for the success of this paper is the staff of energetic workers who spend an average of 250 hours to put out each two week edition.

The opportunity to gain more knowledge about advanced journalism was offered to the students when they toured the new KGW Television Station and visited the Oregonian Building where Oregon's largest newspaper is published.

Throughout the year new innovations were adopted by the HIGHLANDER staff. Heading the list of changes was the expansion of the former four page paper to eight full pages of news and special articles. Also, to meet the increased interest in world affairs, the HIGHLANDER's coverage was extended to include major national and international events. These changes reflected the staff's goal of producing a highly scholastic newspaper that would be representative of our school.

Fall Executive Council

Catching a member of the Fall Student Council with many spare moments was quite a task. Plunging from one activity into another, they appeared to be trying to abolish "loafing." The honor of hosting the Fall Region III Conference was given to David Douglas, and through the combined effort of many students and faculty members the conference was one of the most successful ever held. From the freshman orientation to the student council workshop and from the Project PAT to the Homecoming activities the Student Council demonstrated outstanding initiative and leadership in numerous worthwhile projects throughout the semester.

Qualified students were selected from all classes to serve on the student government standing committees. The activities committee coordinated the school's activities and helped plan the calendar for the year. Under the leadership of the Second Vice President, the constitution evaluation committee was responsible for keeping the school and club constitutions accurate and up-to-date. The assembly committee upheld the previous standards by reviewing each assembly prior to the first performance before the student body and offering suggestions for its improvement.

Spring Executive Council

Efficient leadership is the key to effective student government. Taking over in February, President Bill Maas and his team of hard workers continued to provide the leadership which has made David Douglas one of the finest schools in the state. Organizing the first workshop for club officers, planning the Class of the Year Award, presenting a hall of fame to the student body, and taking charge of all May Fete festivities were some of the highlights of a very successful year.

Among the most popular of these events were the Mother-Daughter Tea, the Girls' League assemblies, and the informal fun nights. Through active participation of all girls in the Senior Building a successful effort was made to stretch a common bond of friendship between the juniors and seniors.

David Douglas greets Ana Maria

ANA MARIA BACCHI RIBEIRO

Never to be forgotten bonds of friendship stretched from Dracena, Brazil, to Portland, Oregon, when Ana Maria Bacchi Ribeiro became David Douglas' foreign exchange student this year. Arriving in Portland on August 1, Ana was welcomed by her new American sisters, Jane and Judy Sheelar, and their family. During her year at David Douglas High School Ana was very active, serving as Sergeant-at-Arms of Girls' League, participating in the various activities of TAIF social service club, and giving lectures about her native country. Among the highlights of her year, Ana was awarded the Spanish Medal of Excellence by the Spanish Club.

When asked about her most favorable impression of David Douglas Ana replied that the warm welcome and friendliness of the students, faculty, and administration made her feel very much a part of our high school. She also commented that the friendly smiles and cheerful greetings she received will be remembered always.

DICK COOLEY

"East is East, and West is West and never the twain shall meet." The American Field Service has proven an exception to this quotation, for not only have the East and West met, but through a better understanding of countries, international peace has been promoted.

Spending three memorable months in Bangkok, Thailand, David Douglas' own foreign exchange student, Dick Cooley helped bring the eastern and western worlds closer together. While in Thailand, Dick attended school with his five brothers and sisters of the Colonel Poon Bunyakiat family. Learning the Thai customs, sharing thoughts and cultures, touring the country, and meeting many new people were activities which made this trip a unique experience.

Through the knowledge and experience that Dick and other AFS students carry with them, there is a chance that the future holds peace for all nations.

National Honor Society

Gary Singleterry, Rick Baumann, and Jill Janssen presided over the National Honor Society banquet.

The National Honor Society is camprised of junior and senior students who have done outstanding work scholastically. But there is more to the membership in this organization than meets the eye. On the N.H.S. pin there are engraved the following four letters: C, S, L, and S. Each letter represents a special quality which makes the members tops in their class. The C stands for character, which implies courage and honesty. The S is for service both to the school and to the community. The L represents leadership, meaning the ability to inspire and guide others. The last letter, S, symbolizes the high scholarship which each student has achieved. Thus, the N.H.S. member is more than an "egghead." He is a well-rounded individual, striving to do the best he can at all times.

Future Teachers of America

Everyone enjoys good food and fun at the F. T. A. banquet.

Cadet teaching was the major activity of F. T. A. this year. Linda Innocenti supervises the cookie bakers in Mrs. Harns' homemaking class.

Dave DeGray was a knockout at the donkey basketball game, sponsored by Adventurers Club.

Members of Adventurers Club wrap packages at Christmas.

Providing the club members with adventure is just a small facet of the Adventurers Club. This year the club participated in many activities including a trip to Snow Bunny Lodge on Mt. Hood, a day at Kah-nee-dah Hot Springs, and many rock hunting excursions.

The Adventurers Club also provided many services to the school and the community. They sponsored the Donkey Basketball game, they wrapped packages at Christmas, and they sold ice cream at every home basketball game. With the money they made from these activities the Adventurers Club has helped to build a school in Latin America.

The major project of Merrick social service club was selling pens to help pay for the spirit board which was donated to the school. The spirit board, situated in the Senior Building gym lobby, announces all athletic functions of the school and their results. The girls of Merrick also rendered their services to the school and community by ushering at the fall band concert, by helping at the bloodmobile, and by ushering at the May Fete coronation.

Qualha unselfishly rendered a multitude of services to the school and community. They cleaned the grandstands after every home football game, sponsored a student-faculty basketball game for the Teachers' Scholarship Fund, and sponsored their annual Easter assembly. The girls also devoted much time serving at the Father-Son banquet, ushering at the Region III Conference, and fixing a Christmas dinner for a needy family.

Regis

This year Regis again was active in social functions of David Douglas High School. Along with the two other boys' social service clubs Regis co-sponsored the Sweetheart's Ball, lending their time and service to decorating and clean up. In addition to this activity, Regis members served at the drama banquet, decorated for May Fete, and kept the public informed of school functions by maintaining the coming events billboard in front of the Senior Building.

Showing what spirit is is one of the main objectives of social service clubs. Sealgair showed ample spirit this year with projects ranging from selling game ribbons to maintaining the wrestling bulletin board. Other activities included co-sponsoring the Sweetheart's Ball along with the two other boys' social service clubs and helping with Carnicapers. In an effort to promote and further the education of their members, Sealgair awarded scholarships to several club members with the money which they earned during the year.

The Choir members rehearse for the Christmas assembly.

David Douglas High School has always been well known for its outstanding achievements in the field of music. Under the direction of Mr. Hayden Morrison, the choir thrilled and delighted its audiences with memorable performances.

The activities that the choir members participated in during the year included concerts, assemblies, the Easter Sunrise Service, baccalaureate, and graduation. Through their efforts the choir again succeeded in attaining their goal of musical excellence.

The golden tones produced by the Vagabonds again brought fame to David Douglas. With their television performances, their May Fete program, and their participation at various civic functions, the Vagabonds projected an energetic and first rate image to the public, representative of all David Douglas students.

Vagabonds prove that practice makes perfect.

Senior Band

directed by Mr. Larry Morrell

Music is a living art to be enjoyed by both the performer and the listener. Whether on the stage at the annual Winter and Spring concerts or on the football field during halftime, the band played for the enjoyment of all.

A great deal was expected of the eighty-three member band and a great deal was received. Many long hours of practice, both in class and out, were spent in preparation for each performance. The combined interest and enthusiasm of the director, Mr. Larry Morrell, and his students again produced a band of distinction.

This year an outstanding representation of students were selected from the Senior Band to participate in the All-State Band during Spring Vacation. These talented musicians included Tom Barnett, Diann Buettner, Dan Dees, Tom Long, Helen Lozier, Nikki Nalum, Gary Nelson, Christi Salyard, Merle Sogge, Tom Spoo, and Kathy Welch.

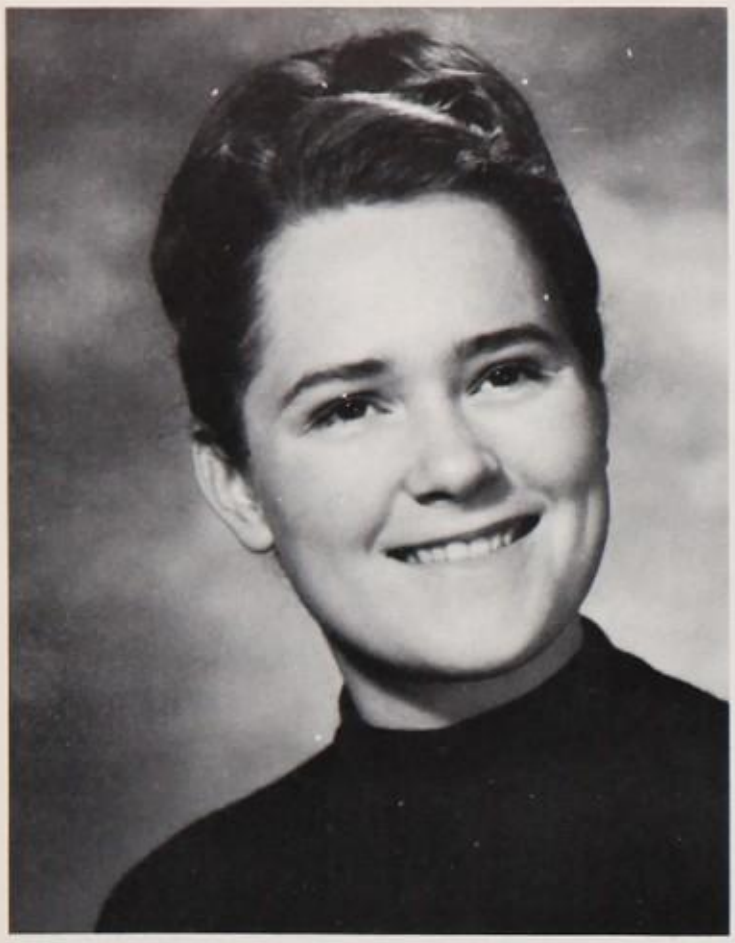
This year's senior class was the largest ever to graduate from David Douglas. The seniors brought much "pride and spirit" to David Douglas in the form of scholarships and awards. Of the 569 graduating seniors, 119 won honors and scholarships. The high ability of the Class of '66 was also evident in their achievements in the fields of speech, drama, music, and art. In athletics seniors led their respective teams to two state championships, one in football and the other in wrestling.

The seniors voted to give the school two class gifts. A basketball roster board will be placed in the Junior Building gym and a set of microphones was donated to the drama department.

Mr John Stradtman, Mr. William Schmid, Mrs. Joanna Klick.

Advisors



DIANE DENNIS

Sharing the honor with two other girls, Diane Dennis graduated as valedictorian after maintaining a 4.0 G.P.A. Proving her academic ability, she received a National Merit Letter of Commendation.

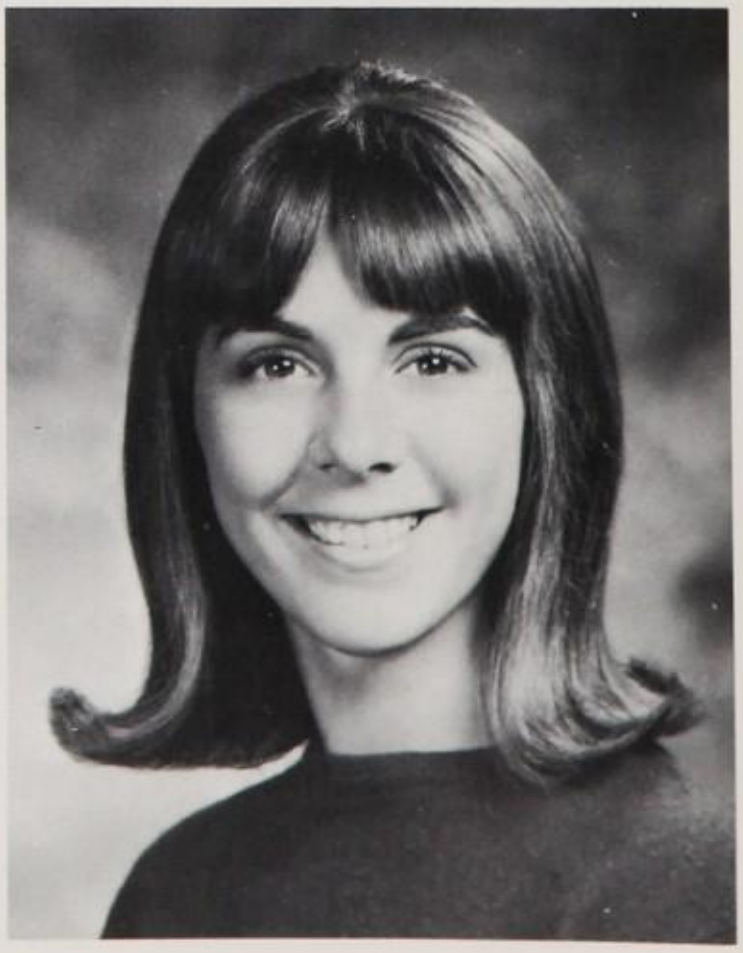
Diane not only studied diligently at David Douglas, but she was also an active participant in many school activities. Her excellent dramatic abilities earned for Diane membership in the National Thespians. Her membership in F.T.A. for three years and French Club for four years has well prepared her as she plans to major in French or English at Oberlin College.

Valedictorians

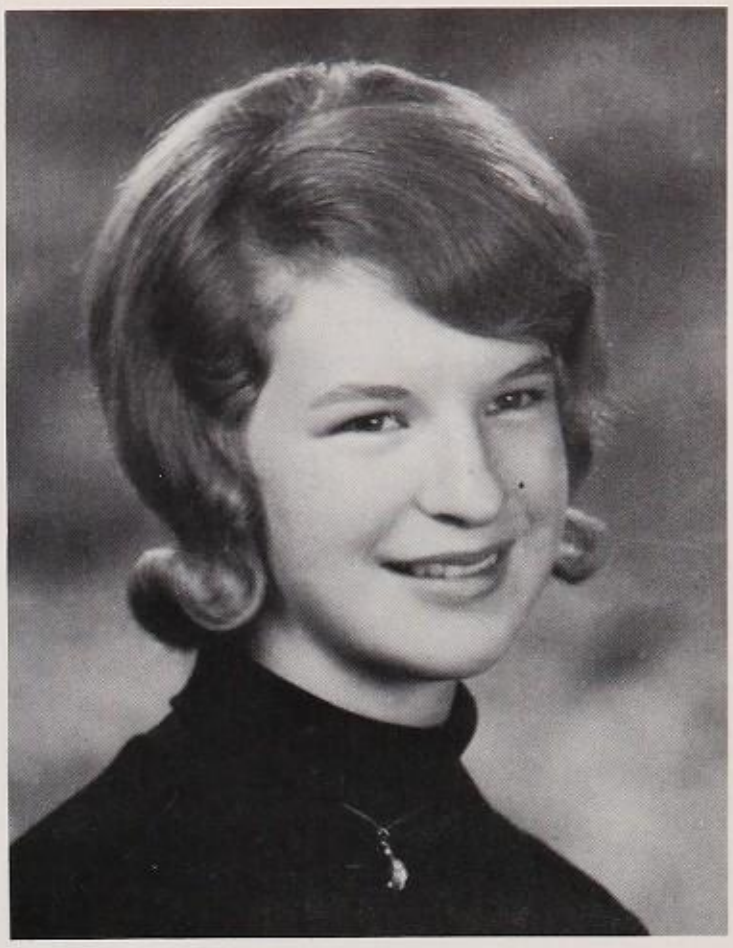
PEGGY COX

Musically and dramatically inclined, Peggy Cox was actively involved for four years in choir and participated in the play, "Cyrano de Bergerac." Further displaying her school spirit, she yelled with the rally for four years. As a member of National Junior Honor Society and National Honor Society she maintained a 4.0 G.P.A. Aside from being endowed with intellect, Peggy charmed her fellow classmates as Sweethearts Ball Queen and May Fete Queen.

Peggy plans to attend Lewis and Clark College and perhaps major in elementary education or foreign language.



MARNELL HADLEY



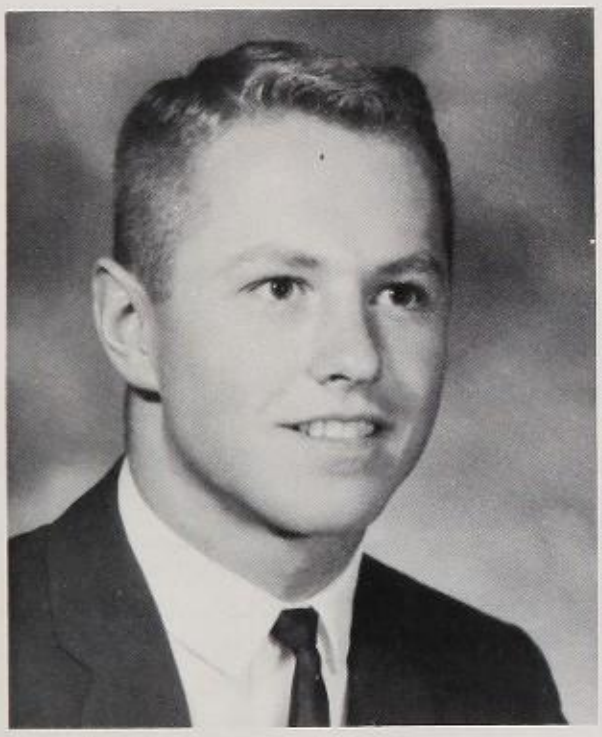
Being physically fit is one of the objectives of Marnell Hadley as she plans to major in physical education while attending Oregon State University. A member of both National Junior Honor Society and National Honor Society, Marnell showed her academic ability by receiving a National Merit Letter of Commendation.

During her freshman and sophomore years she played clarinet in the marching band. As a sophomore and junior she was a member of the David Douglas Swimming teams, lettering as a junior.

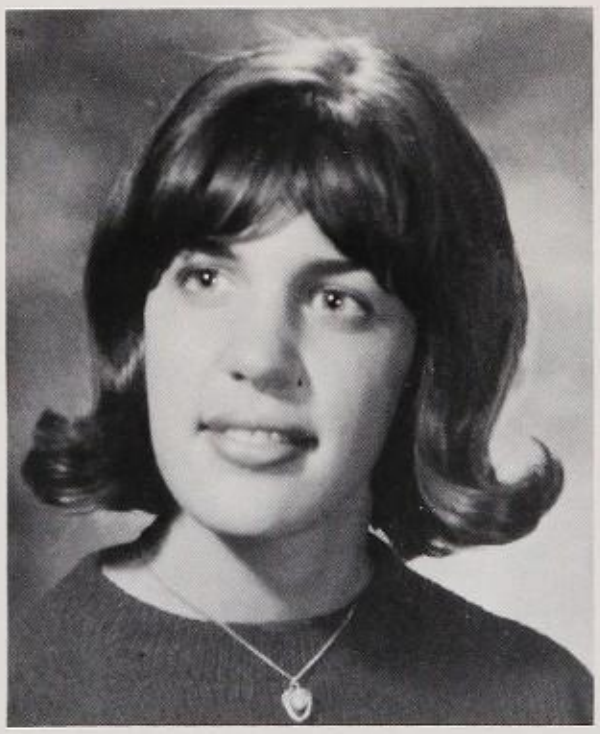
Being a member of F.T.A. for three years, Marnell has taken a definite step in fulfilling her ambition to become a teacher.

Salutatorians

GARY SINGLETERRY



BARBARA KIRCHNER



Gary Singleterry distinguished himself in the academic field with his many achievements. He was a member of National Junior Honor Society, being elected president in his sophomore year. Also a member of the National Honor Society, Gary was elected president of it in his senior year. His leadership qualities were further evident as he served as president of his freshman class and in participation in the state government at Boys State.

Broadening his school life, Gary participated in many sports, including track, football, and gymnastics. Musically, he has been a member of choir for four years and Vagabonds his senior year. Membership in the Adventurers Club rounded out Gary's varied activities at David Douglas.

Barbara Kirchner served her school for four years through a number of activities. She was a member of Adventurers Club and was secretary of the newly formed French Club. The Region III committee took up much of Barbara's time during the fall of her senior year. The committee planned the regional convention of high school student government officers. She also was a Highland Dancer, being elected captain her senior year.

Barbara received many honors during her years at David Douglas, including National Junior Honor Society and National Honor Society memberships. Active in student government, Barbara was elected corresponding secretary her junior year. The University of Oregon is Barbara's choice for college where she plans to study interior design.

Baccalaureate

Baccalaureate practice proved interesting and confusing.

Jim Meeks and Linda Morris study the program before the service.

Carol Burkhart and Ron Kusah are ready as Baccalaureate service begins.

At the completion of Baccalaureate this couple takes their mortar boards off.

Senior Banquet

The seniors enjoy the entertainment and the food at the Senior Banquet.

One group eats their food while the others watch patiently.

Patient, waiting seniors seem to be contemplating their last days at Douglas.

Peggy Cox and Clyde Baker lead the processional for the Commencement Services, as some proud parents look on.

Party Time . . .

Seniors relax at the end of the All Night Party.

Tieing ice skates sometimes presents a problem.

Food never enters the minds of the seniors, only their mouths.

The Graduating Class of '66

The seniors wait patiently for the beginning of Commencement.

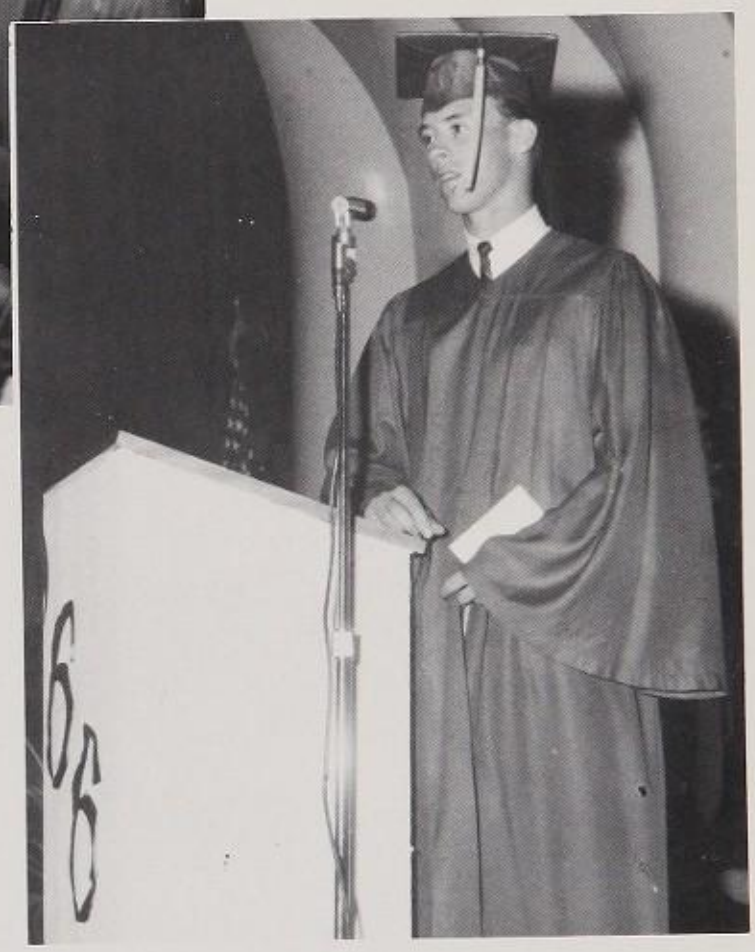
Ana Maria Bacchi Ribeiro says her last goodby to her David Douglas friends.

The Class of '66 listens attentively to Mr. Light.

Pam Bailey and Mike Stauffer lead the class in the Alma Mater.

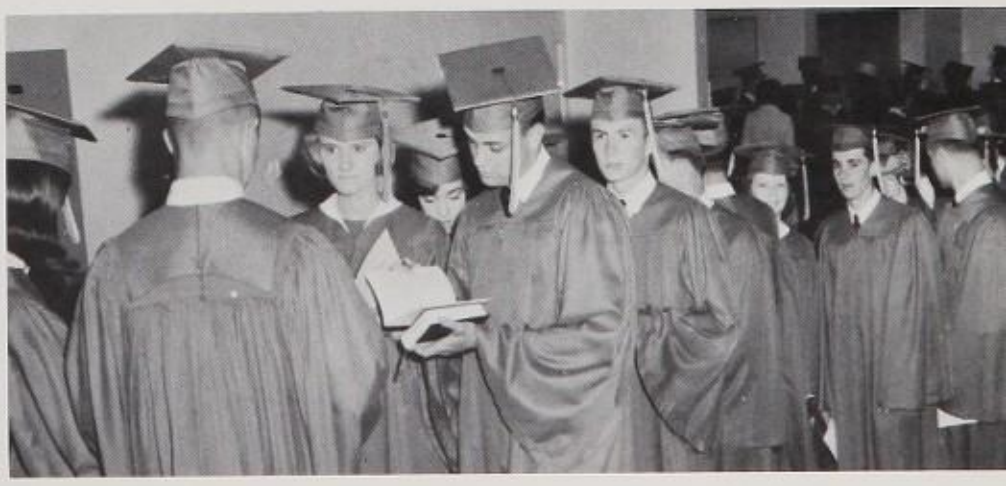
From left to right: Mr. Daggett, Mr. Horner, Mr. Light, and on the far right, Dr. Niece.

The largest graduating class in Scot history meet for the last time as a group.



Leon Meade presents the class gifts to the school.

Mr. Light presents the Light Award to Gary Singleterry and Diane Dennis.



The seniors prepare for the Commencement processional.

Yell contests . . .
homecoming floats . . .
candy sales . . .
assemblies . . . and the climax, the Junior-Senior Prom. These were some of the activities that displayed the "pride and spirit" of the graduating class of 1967, better known as the junior class of 1965-66.

Eager juniors wait to get their Celtic pictures taken.

The Sophomore Class

To uphold a legacy of tradition is the main objective of the sophomore class. This is shown when they take the responsibility of guiding the incoming freshmen in their first step towards adulthood. As the threshold of higher education draws nearer, the sophomore year proves to be one of transition as the class progresses towards its goal of attaining junior status.
